

DEMENTIA BASICS

for Air Travel Industry Workers

Presented by the Dementia Friendly Airports Working Group

Wednesday, October 2

9 a.m. - 11:30 a.m.

Terminal 2, 3rd Floor Conference Room

- Learn and understand 10 ways dementia symptoms may manifest at the airport.
- Understand and discuss what makes a “dementia friendly” airport
- Discover ways to respond to dementia related behaviors to have a more positive outcome
- Share personal experiences that have happened while you were working that may have been dementia related and ask any questions you have about dementia.

To register, email shelly.lopez@mspmact.org by September 20.

Space is limited, so register soon!
